Note: The measurements in the tables may vary depending on the model. This brochure is for informational purposes only; please contact us for specific details. Posidonia cannot be held liable for any discrepancies between the tables and the delivered equipment.

At Posidonia, we design and manufacture **inclined double bollards** to meet the highest industry standards. Crafted from **Duplex steel**, they are fully customizable and available in both **base plate** and **tunnel** configurations. With **SWL certifications** and tested on our **500-ton pull test bench**, our bollards offer maximum durability and performance.

Key Features

- **Certified Reliability**
- **Customizable** in size, weight, and load capacity
- **Artistic Finishes** for a luxury aesthetic
